

Christ Church Life Abundant Capital Campaign Feedback

We welcome all feedback. We hope you will take the opportunity to attend the August 1st Zoom presentation or the August 6th in-person presentation, as they will explain many of the variables at play in these decisions.

Your name must be on your feedback form. We will not consider anonymous feedback.

All feedback must be submitted by **August 11th**. Refer to the information handout and spreadsheet on the Capital Campaign web page, <https://www.christchurchseattle.org/capitalcampaign>, for the background information needed to answer these questions. An online version of this feedback form is also available on that web page.

If you have any questions, please email them to office@christchurchseattle.org.
